Positive Behavioral Supports is a school-wide systematic approach to discipline and behavioral support in our schools. It is an evidence-based framework for providing a broad range of systematic and individualized strategies for achieving academic and behavioral outcomes while preventing problem behavior. PBS focuses on teaching then reinforcing positive behaviors as well as, changing the environment such that using positive behaviors becomes more effective than using negative behaviors. Schools utilizing PBS have the following in place:

- More than 80% of students can tell you what is expected of them & can give behavioral examples because they have been taught, actively supervised, practiced, & acknowledged.

- Positive adult-to-student interactions exceed negative.
- Administrators are active participants.
- Data & team-based action planning & implementation.
- Function based behavior support is a foundation for addressing problem behavior.
- Full continuum of behavior support is available to all students.

### 10. Superintendent's Report

A. Review District Mission Statement

#### DISTRICT MISSION STATEMENT

The slogan of the Berlin Township School District of "Educating Today for Tomorrow's Success" is meant to focus the educational community on the broad goal of giving ALL of our children the necessary skills to be successful in all future endeavors. Student achievement is the major priority; the district prides itself on its creative approach to learning and its emphasis upon helping each student to discover his or her potential. Teachers use a variety of teaching methods to reach students with a wide range of abilities. Student engagement as volunteers in the learning process is our primary focus. It is our responsibility to create structures and systems where students are totally engaged in the instruction, which will then leads to deeper learning and understanding.

The Berlin Township School District commits itself to all children by creating a standards-based school district in which all students receive the very best educational opportunities possible. Each and every student will surpass the New Jersey Core Curriculum Content Standards. To achieve this, the members of the district will focus on:

- Establishing high standards of excellence for both staff and students
- Communicating openly and frequently within the district and with the community to foster a trusting relationship
- Ensuring a safe and orderly environment for staff and students
- Recognizing that a school district serves as a role model and has the responsibility to encourage high quality character behavior
  - B. Review District & Board of Education Goals

### District Goals for 2016-2017

- Supervise the revision and implementation of all district curricula, focusing on Science, World Language and Technology as per the 2016 QSAC findings in order to continue to improve student growth and achievement.
- Work with the district administrative staff to investigate ways to increase the use of technology for instructional purposes.
